DEVASTATION IN HAITI

We are all saddened about the earthquake in Haiti and the devastation it has caused people who live there. We have had requests from staff and the Parents Support Groups about spearheading a campaign to raise funds for people with disabilities who experienced the dreadful earthquake in Haiti. Listed below are links to various charities that support people with disabilities and also orphaned children if you want to give privately.

We also want you to know that Vision For EQuality will be collecting funds from our Board, Staff, your family and friends to send to assist people with disabilities and their families and will make the donations on your behalf.

Rosette will be collecting the donations which you can give to her in the form of cash or check through February 15, 2010.

IF MAILING DONATIONS SEND TO:
Rosette Proodian

Respectfully,
