Attention Families!

School is back in session, and this can bring a lot of stress for families. As caregivers, we are navigating new routines at home and at school, and constantly ensuring supports at school are in place and effective. Join us for a time of learning and sharing as we discuss any challenge our loved one(s) might be experiencing at school and where to find the support they might need.

Pictured above is a smiling woman with blonde hair in a bun and a peach scarf leaning over a girl with her hair in half a braid in a blue and white jacket and blue pants seated in a wheelchair.

School Issues and What We Can Do About It
