

You have the right to be safe!

Abuse may be when someone:

Says bad things to hurt or scare you

Yells at you

Threatens you

Hits or kicks you

Burns you

Pulls or pushes you

Touches your body or private parts when you don't want them to

Makes you do things to another person you don't want to

Takes your money when you don't want them to

Takes your things

Makes you pay for things you don't want to

Stops you from getting the care you need

Does not help you when you are hurt or sick

Does not give you food and water

No one has the right to abuse you!

Report Abuse!

If these things are happening to you, tell:

Someone you trust, like family or a friend
